Winfield House-Wilder

I would like to introduce Winfield House Ministries to our friends in Wilder and surrounding communities.

Winfield House is a non-profit, 501-c3 organization established in 1992. It is made up of a board of directors and volunteers from many communities. Winfield House is dedicated to serving the needy in our area.

Located at St. John's Community Church, 1411 St. John's Lane, we are housed in the "upper room" of the church facility.

Our goals are to meet the needs of families and individuals who need a helping hand in these trying times.

Our purpose: To restore lives in Body, Soul, and Spirit.

Body: Seeking to restore dignity by providing food and other basic life necessities to those in need through our food and clothing pantry.

Soul: Helping to create discipline through life skills programs to develop maturity and success in both family and public life. Professional individual and family Christian Counseling is available by appointment. Winfield House Counselors are accredited with the American Association of Christian Counselors.

Spirit: Winfield House provides Godly direction through personal and small group bible study and prayer groups. We encourage and help those seeking to deepen their spiritual walk.

Winfield House seeks to bring the transforming power of the risen Christ into the lives of His people. We expect to help and challenge others to grow into higher living through the power of the Holy Spirit. As ambassadors, we carry good news to the downtrodden, infirmed and weak.

Winfield House is supported by individual donations.

St. John's Church is a supporting church along with EFI international, Calvary Chapel, and Crossroads Community Church. We welcome new affiliations and partners to our mission.

Winfield Needs:

Food for our family pantry is always at the top of our list. Canned goods, boxes items, paper goods, and children's snacks are a priority. Free food boxes are available in times of crisis or family tragedy.

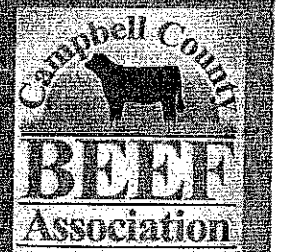

We are currently seeking professional women's clothing and accessories to fill our women's closet. These items will be sold for nominal costs to those who are unable to afford work clothes as they begin a career.

Future educational programs will include Divorce Care, Parenting courses, resume building workshops and career counseling. If you would like to be a part of the professional team of volunteers, we are taking applications for our fall/winter programs.

CINCY MAGAZINE RATES WILDER 7TH IN CINCINNATI SUBURBS

We are extremely proud to announce that in the June 2010 issue of Cincinnati Magazine the City of Wilder was rated the 7th best city in the Cincinnati Suburbs. Using many categories in the rating formula. Items such as education, tax information, safety, and home and income factors were used resulting in Wilder being named in the Top Ten.

Other cities ranked in the article include the City of Madeira Ohio, which was rated No. 1. Other Northern Kentucky cities included in the top ten were Villa Hills Kentucky No. 3, Edgewood, Kentucky No. 5, Wilder Kentucky No. 7, and Fort Thomas, Kentucky rated No. 8.

We are obviously very proud of this accomplishment and will continue to improve on our commitment keeping the city worthy of this prestigious honor. We hope the residents and business community in Wilder feel the same.
