STATION @ 431-1440.

SNOW & ICE REMOVAL

REMINDERS:

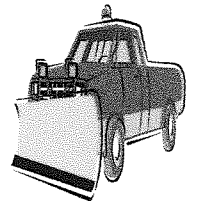

PARK CARS IN DRIVEWAY DURING AND/OR AT SNOW AND ICE STORM ADVISORY. This allows streets to be completely cleared and also helps keep the plow from piling snow around parked cars.

CUL-DE-SAC— Do not park in the cul-de-sac during inclement weather. The truck with the snowplow cannot make turns when cars are parked in the cul-de-sac. Please conform.

PROCEDURE FOR SNOW REMOVAL:

The hilly areas are the first streets to be cleared. We then proceed to clear the level areas. Please note that Three Mile Road, Mook Road, Licking Pike, and Johns Hill Road are state roads and are not maintained by the City of Wilder. If you have a problem or questions regarding these roads, please call the Kentucky Department of Transportation at 341-2700.

John Verax

SENTINEL SANTA

The **SENTINEL SANTA FUND-RAISING PROGRAM** is sponsored by the Sentinel neighborhoods off John's Hill Rd. This is our 19th year of neighborly giving. The funding goes directly to Brighton Center's outreach programs for needy young teens, young adults and young families in transition. If you were able to donate before the Christmas Holidays, your donations were so very welcomed. If you still haven't yet had a chance, please do so at your convenience. The Homeward Bound and Independent Living Programs are active all year round and our funds are gratefully accepted at any time. We hope that your Christmas was Merry and Your New Year comes with many blessings. Thank you again! Sheila and Tom Horan Donations to: Brighton Center, Inc. P.O. Box 325, Newport Ky 41071 please add **SENTINEL SANTA** to your memo line.

Wilder Fire Department Ladies Auxiliary

Whoa! The new year is moving along fast in spite of the snow and ice. The Ladies Auxiliary are gearing up for the annual fish fry. The first fish fry will be March 11th and we should be smelling spring flowers by then.

We are looking forward to seeing old friends and making new ones. We hope to see you there. Remember our proceeds go to the Wilder Volunteer Fire Dept. We welcome new members.

Norma Turner, President

Parking Reminder

As a reminder to all residents, please become familiar with your streets parking restrictions. Parking is normally permitted on one side of the street only. The city has received numerous complaints about residents parking on both sides streets throughout the city. Normal city streets are designed to be wide enough for one side parking only. This is usually the side that does not have fire hydrants and the opposite side is posted as no parking.

Many problems occur when parking regulations are not followed:

Snow removal becomes difficult if not impossible

Emergency vehicles travel is restricted or delayed

Garbage collection is more difficult

Driving becomes more dangerous as two cars cannot pass safely

Vehicles parked on the street are at greater risk of accident from cars trying to pass

If you are uncertain about what the parking restrictions are on your street please contact the city building at 859-581-8884.
