WILDER CITY PLAN UPDATE

Work on the update to the Wilder Comprehensive plan, as announced in the last newsletter, is now underway. We have named this planning process:

GROWING WILDER

ENVISIONING TOMORROW

Your help is essential to this planning process as we strive to envision tomorrow for all residents and businesses. To help everyone to connect we have recently started a Facebook page. Please use this link to reach the page and "Like". We will soon be using this as one forum to share information and gather your input.

www.Facebook.com/cityofwilderky/

The Wilder Fire Department Fish Fry: Do you partake of the best Lenten meal in NKY? Please do and while there look for "Growing Wilder: Envisioning Tomorrow" questionnaires. These are short questionnaires so as to not take much of your time at dinner. Questions will vary each week so fill out one each Fish Fry you attend! And, you will also be eligible for one of three door prizes to be given out after the last Fish Fry! Fill out a questionnaire and enter every time you attend or pick up to take home!

The process will be simple: a) find a questionnaire, either at your table or at a location nearby; b) answer 5 to 6 questions or so; c) tear off the bottom of the page with your name/email/phone number; and d) place each part in separate boxes before heading home.

A poster will mark the location to pick-up and return questionnaires. Door prize information will be there also...and you don't have to be present to win a door prize!

This is our city, please help us "Envision Tomorrow" by participating in preparing this plan. If you have ideas, questions, or comments please contact us at:

Citizens: In order to set big furniture out for waste collection (couches, chairs, mattresses) you must call Rumpke 48 hours before your regular trash pick up. Some items may be required to be wrapped in plastic. This can be purchased at the city building for \$4.00 per sheet. One sheet of plastic will fit a queen size mattress. If you have any questions please do not hesitate to contact the city building at 859-581-8884, or Rumpke at 800-828-8171. Thank You!

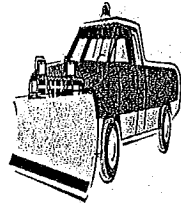

City Ordinance
91.01 Prohibition against dogs running at large.

Just a friendly reminder to keep all pets on your own premises, when dogs are not on your premises they need to be on a leash at all times. No dog licenses or unlicensed may run at large.

Also, please remember to pickup after your pet. The city has bought and installed several waste stations for this purpose.

SNOW & ICE REMOVAL

REMINDERS:

PARK CARS IN DRIVEWAY DURING AND/OR AT SNOW AND ICE STORM ADVISORY. This allows streets to be completely cleared and also helps keep the plow from piling snow around parked cars.

CUL-DE-SAC- Do not park in the cul-de-sac during inclement weather. The truck with the snowplow cannot make turns when cars are parked in the cul-de-sac. Please conform.

PROCEDURE FOR SNOW REMOVAL:

The hilly areas are the first streets to be cleared. We then proceed to clear the level areas. Please note that Three Mile Road, Mooock Road, Licking Pike, and Johns Hill Road are state roads and are not maintained by the City of Wilder. If you have a problem or questions regarding these roads, please call the Kentucky Department of Transportation at 341-2700.
