Festival at Wilder City Building

The Campbell County Animal Shelter and the City of Wilder are excited about the Community Cat program and we hope you are too! Let us take a minute to explain how the Community Cat program works. The Animal Shelter no longer accepts "stray" cats into our adoption program. We reserve our adoption space for pet cats that need to be rehomed. We think we can all agree that there should be less cats living outside. However, trap and euthanize has proven ineffective ([www.alleycat.org/resources/the-vacuum-effect-why-catch-and-kill-doesnt-work](http://www.alleycat.org/resources/the-vacuum-effect-why-catch-and-kill-doesnt-work)) in reducing the cat population and there are not enough homes for all the cats. We know that Trap, Neuter, Return (TNR) is effective in reducing the outdoor cat population. Through this program, outdoor cats are spayed/neutered, vaccinated, ear tipped and returned to their familiar homes. After spay/neuter surgery, cats live healthier lives and most if not all of the unpopular behaviors are eliminated. Whether you love cats or not, this program is good for you!

The Joanie Bernard Foundation has awarded Campbell County with a grant to pay for cat spay/neuter until October 2018 (<http://www.nkadd.org/regional-cat-spay-neuter-program>). If there are outdoor cats living in your neighborhood, we encourage you to take them to a participating Veterinarian for spay/neuter surgery, vaccines and an ear tip. In addition, this grant will pay for surgeries of pet cats if you income qualify. Those that don't income qualify still only pay \$20.

**Participating Veterinarians include:**

Heineke Animal Hospital (859) 635-3783 – 5 Orlando Drive, Alexandria, KY 41001

OAR (513) 871-0185 – 5619 Orlando Pl, Cincinnati, OH 45227

UCAN (513) 762-0130 – 2830 Colerain Avenue, Cincinnati, OH 45225

Spay/neuter transport is provided for Outdoor/TNR cats from the Animal Shelter on Wednesday's. Outdoor cats should be brought to the Campbell County Animal Shelter between 10 AM and Noon in a humane trap. Traps for TNR purposes may be rented from the Animal Shelter for a \$50 refundable deposit. Pet cats must be transported by the owner to a participating Veterinarian. For more information about participating in the TNR program or taking advantage of reduced cost spay/neuter please call the Campbell County Animal Shelter at (859) 635-2819.

Although there has been a great show of support for this program, we acknowledge that not everyone appreciates our furry friends. We ask that you please feed responsibly; only put out enough food for the cats you are feeding and you should remove the food after they eat. Leaving too much food out for long periods attracts more cats, wildlife and bugs. Please clean up after the cats that you're choosing to feed. Be respectful of your neighbors and their property.

For other general animal control questions, your city's Animal Control Officer is Terri Baker. Terri can be dispatched to assist you by calling (859) 635-2819 during regular business hours or by calling (859) 292-3622 after hours.

Thank you so much for your support,
