CITYWIDE

June 10th, 11th, 12th

This is an annual event to assist citizens in perhaps making money on items that would be routinely disposed of. No license is needed and all fees on this annual event are waived.

Contact the city building if you wish to be placed on a participation list which will be displayed at the city building and firehouse. An ad will be placed in the newspaper indicating the participating streets provided we are notified by Monday, June 6th at noon.

POLICE DEPARTMENT NEWS

Some communities within the city have been participating in a neighborhood watch program which involves looking out for your neighbors and reporting suspicious activity to police.

The Wilder Police will send an email notification to you about criminal activity related to your neighborhood. If you are interested in receiving email notifications you can sign up by sending an email to Lt. Mike Murdock at mmurdock@cityofwilder.com. Please provide your name, street address and email address.

The Kentucky Office of Highway Safety has introduced the
Yellow Dot Program.

This program alerts first responders at crash scenes of critical medical information that could save a life.

The best chance for survival following a traumatic injury occurs when the injured person is seen and treated within an hour of the event. In the moments directly following a crash, seconds count. Participants are providing important medical information that could help emergency responders make split second decisions.

This is how the program works....

- The Yellow Dot decal is placed in the lower-left corner on the driver-side rear window. Make sure the glass surface is clean so the decal will adhere.
- A Yellow Dot personal information folder is placed into the glove compartment of the vehicle. The completed form should include a clear, close-up face shot picture that can be easily identified as the crash victim.
- Make sure it is on top of other papers, and readily visible to first responders.
- If there is more than one person who uses the vehicle, or if you routinely carry children in the vehicle, consider including a separate Yellow Dot folder for each regular occupant. Keep all Yellow Dot folders together in the glove compartment to make retrieval in an emergency faster.
- The form itself includes basic medical and emergency contact information, personal physician's contact information, current medical conditions, allergies and medications, and a history of recent surgeries. To help protect your identity, don't include information like credit card or social security numbers.

The program is **a free service** provided to all Kentucky citizens, provided through the Kentucky Office of Highway Safety.

THIS PROGRAM IS NOW AVAILABLE AT THE WILDER FIRE DEPARTMENT. PLEASE CONTACT US AT (859) 431-5884 FOR MORE INFORMATION.
